

AMERICAN LEGION
POST 318

TO ALL MEMBERS

As you may or may not know, we sent out a request earlier this year asking our members, to help donate to the "New Post Building Fund".

We've received great responses from many of our members but not enough to reach our goal.

The new Post means a bigger Canteen, bigger Meeting Hall, expanded modern kitchen, outdoor patio, plus other amenities too numerous to mention and most of all no landlord to dictate policies concerning our building. For the entire existence of Post 318 we have been spending excessive amounts of money on renting the building our Post resides in. Our dream of our own Post is just around the corner. You now have a chance to help make this happen.

We are asking for your support. Simply fill out the Pledge Form and drop it in the mail or drop it off at the Post and take a look at our future home. Your donations will help build our future.

There are many ways for you to help build our new post:

For \$50.00 you can have a Brick with your name or your spouse's name engraved.

For \$100.00 this is a Veteran's only Brick with your Name, Rank, and Service Branch.

Even if you are not here the names you select will live on at Post 318.

Inside the Post we will have a plaque with your name in a place of Honor for the following donations:

For \$250.00-Silver For \$500.00-Gold For \$1,000.00-Platinum For \$5,000-American Eagle

Our Fund Raising Committee continues to reach out to area businesses as well as our fund raising events we hold at the Post or at other facilities to raise additional monies necessary.

Thank you for supporting our New Post Building Fund.

For God and Country
