Commander's Message

Hello American Legion Family

This is the time of the year when we at Post 318 really do make a difference. It's that time of the year when all organizations help so many others who are not as fortunate as some. It is that time of the year when we remember those who just don't have anyone else and depend on a friendly gesture or sincere kindness from our family to theirs.

November is a special month for Post 318 Veterans as we celebrate and honor them on November 11th, Veteran's Day. I salute you for your service and your sacrifice. I share the pride you feel in being able to say you have served in the greatest military in the world. Our Veteran's Day ceremony will be held in our Memorial Garden at 12:30pm. As usual, Veteran members of Post 318 may enjoy a complimentary meal after the ceremony.

On November 6th, Post 318 American Legion Riders will participate in the 2nd Annual "House a Vet Poker Run. The "House a Vet" program is local, tangible, and can meaningfully impact the lives of veterans of Martin and St Lucie Counties by helping them meet their housing needs. This is achieved through assistance with housing repairs, maintenance, and temporary or permanent housing. Thank you Legion Riders for all that you do.

We also celebrate Thanksgiving Day by serving Dinner with all of the fixings for those that would like to celebrate at the Post. As we gather together with family and friends, give thanks for the hope, peace, and joy that we all share with our Legion family.

This month, I would like to name **Sandy Lasalle** as "Member of the Month". Sandy is very involved with supporting the elderly members of our community in their struggles to cope with and manage doctor appointments, grocery shopping, transportation, and a host of other tasks we all take for granted. Thank you, Sandy, for all that you do.

For God and Country,
John Hayes, Commander

Post 318 Riders Report

Now that the fall weather is approaching, we have been participating in quite a few rides within the 12th district of the American Legion. We rode up to the district picnic on October 6th and stopped at other Posts on the way to meet with their Riders, then rode to the picnic with almost 100 bikes. The weather and picnic were great. We also rode with the 12th District 1st Annual Family Leadership Ride (FLR) to support Project 22.

The Southeast Honor Flight for WWII, Korean, and Vietnam veterans is resuming on November 6 with 318 Riders participating in the escort of the bus to PBI.

The Salvation Army Angel Tree to support children for Christmas will be displayed right after Thanksgiving. Please consider taking a card and helping these children with their Christmas request. For the Cause, not the Applause,
John Fiorelli

As this year is coming to an end, let us not forget our veterans. I encourage all to attend a Veteran's Day Memorial. With the holiday season quickly approaching, remember, with friends and family on Thanksgiving, all the people of this beautiful country. We are blessed with this great land of ours that gives us peace, liberty, and freedom.

It is with deep regret to report the following have gone on to Post Everlasting: Gabe Galletto, Sr, Richard Moore, Mike Larson, Peter Natiw, George M Lynn, David E Golden, Leon Lilly, and Robert Beddone. Their duty is completed to God, Country, and Post 318.

God Bless America,
Grant Southerland, Chaplain 772-200-8594

US 1 is definitely a sign that the "Snowbirds" are back and we welcome them. It's nice to be getting a little cooler weather! Hoping all our members are remaining healthy during this time of the year.

I can make cheerful phone calls and send out cards to our members who need a little cheering up, just let me know. I still can't visit any hospitals or nursing homes.

For absolutely everything, above and below, visible and invisible... everything got started in Him and finds its purpose in Him. He was there before anything came into existence and holds it all together right up to this moment. - Colossians 1:16-17.
