### Commander's Message

At our August 13th regular membership meeting, the Boy Scout Troop we sponsor, in partnership with the St Lucie County Sheriff's Office, presented their 2022 – 2023 project for Eagle Scout merit badges. This year's project will result in a permanent memorial honoring those police dogs trained to assist police and other law enforcement personnel within our community. Also at this meeting, the Post 318 American Legion baseball team presented the 2022 championship trophy to the Post as the Southeast Regional Champions. Well done to the coaches and players!

On August 13th we celebrated our Commander's Awards and Recognition Dinner. Prior Members of the Month were recognized and specially honored by the Post were:

- Legionnaire of the Year – Lou Romano
- Member of the Year: Jim "Jimbo" Christopher
- Honor Guard Member of the Year: Joe Mastrolillo
- Sons Member of the Year: Joseph "JD" Stoukey
- Auxiliary Member of the Year: Jeannette Roslie
- Rider of the Year: Rick Harman

Thank you all for your efforts in the past year!

September kicks off our NFL football season. Come to the Post and root for your team (yes, even the Patriots!) and enjoy our kitchen specials.

This month it is my pleasure to name **Wayne Mulligan** as "**Member of the Month.**" Wayne has served on the Post 318 Executive Board in numerous positions over the years, and continues his works behind the scenes on a variety of projects that directly benefit Post 318. Thank you, Wayne, for your spirit of volunteerism.

For God and Country  
John Hayes, Commander

It's time to increase support to veterans linked to toxic exposure during their service, a contingent of American Legion members, congressional representatives and activists called for during a press conference March 2 at the Capitol. Toxic smoke and fumes from burn pits in Iraq and Afghanistan included medical and human waste, jet fuel, chemicals, metal, munitions and unexploded ordnance, petroleum and lubricant products, plastics, Styrofoam and more.
